Hello Parents/Carers,

I'm Adam Darwen and I'm a drum teacher from Penwortham. I have been delivering drum lessons at St Oswalds for the past 4 years. This week we had our end of year drumming assembly and it was fantastic. I am sending you this letter to let you know that I will have some availability to take on new drumming students in September as I have some year 6 students moving onto high school.

Below is a bit more information about myself and my career -

'Adam has been teaching drums for 14 years. His students have achieved grade 8 distinctions, Young Drummer of the Year shortlists as well as having a 100% exam pass rate. Adam has had great coverage with plays and interviews on Annie Mac and Nick Grimshaw's Radio 1 show, XFM's band of the week, live performances on SKY Sports and he has performed at some of the UK's prolific venues. His bands have supported artists such as The 1975, Catfish and the Bottlemen, Cast, Buzzcocks as well as numerous headline tours. Adam is currently the drummer for the band White Flowers who are signed to State 51 London and their debut album entered the UK charts. They have just come back from a 3 week tour supporting Doves around the UK'.

In lessons your child will be able to begin their drum grades, learn many different techniques and play along to their favourite songs. This results in them having the option to do a performance each year in an assembly or school concert.

If you would like your child to begin drum lessons at St Oswalds then please complete the contact details form below and send back into school.

**The cost of drum lessons is £6.50 per week which is payable upfront at the start of each term.** Invoices are sent out via email. Drum sticks can be bought from me at a cost of £12 however this isn't a requirement and my drum sticks can be borrowed in the lesson. Don't hesitate to get in touch if you have any questions about the lessons and I will keep you updated with how your child is progressing.

Yours faithfully,  
Adam Darwen
